CRIS RESEARCH PROGRAMMES PLATFORM

Once you have finished the registration process, you can login the platform to:

1. Download documentation from the CRIS Research Programmes Call for Applications 2026.
2. Submit your candidacy.
3. Check the status of your candidacy.
4. Send messages to CRIS Cancer Foundation or read the messages that CRIS Cancer Foundation has sent to you.

1. Documentation available from the CRIS Research Programme Call for Applications 2026

Guide for applicants   Terms and conditions   Templates   CRIS Cost Guidelines   CRIS Evaluation Guidelines

2. Submit your candidacy

Once you have finished the registration process, you can login the platform and start submitting the candidacy: Fill in the fields in "Part A – Administrative Form", attach the documents in "Part B - Documentation" to apply for the call for applications and accept the conditions.

PART A – Administrative form

Fill in all the information required (Personal data, Hosting Institution data, Current Institution data, Mentor (if applicable), Project data) and confirm your commitment to the ethical requirements and legislation.

All the fields are mandatory, except "other e-mail" and "other phone".

PART B – Documentation

Attach all the information required and confirm your acceptance and commitment of all the items.

* All the fields are mandatory, except "If applicable, document for accreditation of the extension for the validity of your candidacy" and "Additional documents". For emerging leader applicants "If applicable, document to demonstrate research independence" is also optional
